For Girls Ages 7-16*

3 Divisions:

C-BALL: 7-9 year-olds -- CBall is an instructional league designed to begin teaching the basics. The games are "coach-pitch" and there are no called balls and strikes.

Junior Softball: 10-12 year-olds -- Junior ball is the first level of "kid pitch." There are umpires, called balls and strikes, stealing, sliding, etc.

Senior Softball: 13-16 year-olds -- Senior ball is fast-paced softball featuring more experienced players. It provides excellent preparation for high school softball.

MV Softball plays at all three levels in conjunction with the Fort Hunt (FHYAA) softball program. The season typically runs from late March to early June.
